As spring approaches, SHiNE ART SPACE shakes off the heaviness and seriousness of winter and opted to showcase 'Works on Paper' – an exhibition which is as uncomplicated and light as its title. This exhibition includes photographs, lithographs and silk screen prints by ten artists including Yang Shaobin, Hong Lei, Wang Ningde.

Through 'Works on Paper', SHiNE ART SPACE wishes to demonstrate that art appreciation and collecting do not have to come to a stand still at the times of economic reform. We wish to encourage young collectors to appreciate these smaller and more approachable works which are artistically highly praised.
